

Summit Advertising

Your Place To Be Creative.

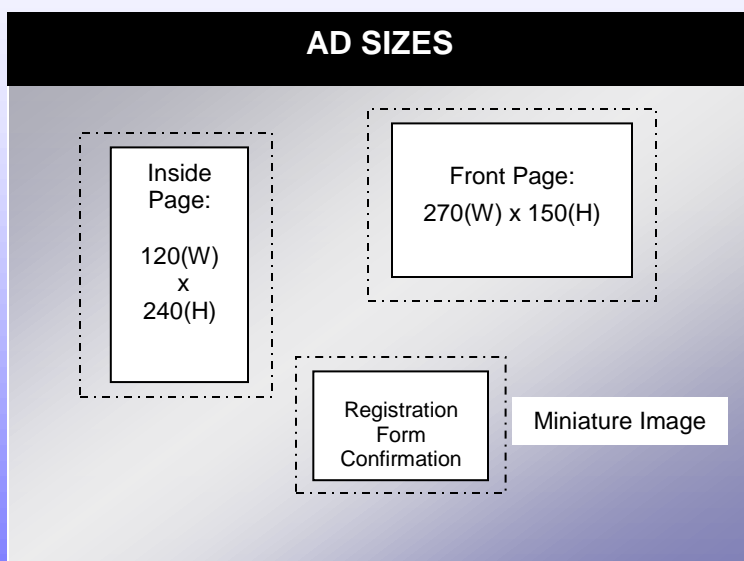

Your Online Marketplace Solution...

Summit Management Services offers web-based solutions where viewers can have a direct link to your website from our website. Partnering with a web design company, *RichDesigns**, Summit Management is sure to expand coverage of your website to diverse demographic and geographic locations around the world.

Designing Your Ad...

Summit can assist you in creating an ad that combines graphics and text and helps in highlighting your website. *RichDesigns*, as a Summit partner, can help to create the perfect look and feel to your ad.

**RichDesigns is independently owned and operated*
